

**Vice President, Finance and Administration  
Ultra Electronics Maritime Systems**

This is your chance to join Ultra Electronics Maritime Systems, an organization that has earned its reputation as a world leader in defence and security systems and services - senior leadership opportunities in this exciting, ground-breaking and innovative company seldom arise. As the most senior financial resource within the organization, you will have the unique opportunity to be part of the senior management team and advance organizational goals.

Reporting to the President, the Vice President, Finance and Administration will play a key role in the strategic development of the business. Based in Dartmouth, NS, you will maximize growth and profitability by providing direction, guidance and leadership to the Finance and Contract departments. You will proactively lead the development of timely, accurate and efficient reporting systems while providing due diligence expertise to acquisitions and new partnership arrangements. You will conduct analysis on new initiatives and business opportunities and create effective benchmarks to measure key business drivers. You will guide your teams to provide superb services to your internal client base, including analytical business support.

As the ideal candidate, you have a wealth of experience leading both people and process in the finance function within a complex organization. Having achieved your professional accounting designation and with several years of financial management experience at the executive level under your belt, you're ready to add value and help shape and deliver the strategic objectives of the group. You have solid experience with the rigours of creating and publishing monthly and annual reports for a publicly traded company. You thrive in a complex project setting and have proven abilities to provide value and support to business units. Some travel will be required. Our ideal candidate has drive, integrity and managerial courage. Join this world leader today!
